Dear friend,

I found your address in a magazine. I want to have an Algerian pen friend. That's why I am writing to you. My name is Jenny Smith. I am English and I am 15. I am a tall thin girl with long fair hair and blue eyes. I live with my parents and my sister Joan in Liverpool, a big town near the sea. Our house is big. It has a garden behind it like most of English houses. I go to a comprehensive school.

The subjects I prefer are history and maths. I am not very good at physics and French. At school, we can practise different sports twice a week. We go to the swimming pool. In my free time, I like camping with my friends, listening to music, taking photos and playing tennis.

I hope I will receive a letter from you.
