

Text

Every day, children spend too much time in front of television which has become the century's phenomena. some of them like watching cartoons and serials, others prefer action films and sport programmes, but nearly every one of them hates news and documentaries .at school, teachers find a lot of difficulties with the pupils who don't revise their lessons , don't do their homework and often forget their books and copy books at home.

The parents sometimes forget or ignore their responsibility towards their children. They only feed them and offer them cloths neglecting the educational aspect which is more important than anything in children's future.
