

The First Test of the First Term

Text:

My Friend Lara

Let me describe my friend Lara Dang to you. She is twenty-two years old and she studies computing at Oxford University . She comes from Vietnam. She is slim and very tall – about 180cm. I think she is the tallest of all my friends. She’s got black straight hair down to her waist and pretty brown eyes. She is very pretty, in fact. She’s very responsible and polite. My mom loves her very much. Lara loves dressing well and enjoys talking to people. She is also fond of doing crosswords, but she hates listening to rock music.
