Second Term English Test

Text: The Accident

Dear Andy,

I hate to tell you this, but I had an accident with your car. It happened on the corner of the Fourth Avenue and Flatbush. The traffic was terrible. A car made a right turn from the wrong lane and ran into me. It damaged the door on the driver's side.

Please don't worry about it. I will take it to a repair shop.

I am really sorry about this .

John
