**My Friend's Dream**

Karim, who is my friend dreams of being a very rich man in the future, and he doesn't mind studying. When I asked him, he said: "If I pass my BEM exam, I'll go to the secondary school and study for three years there. Then, if I succeed in the BAC exam which I suspect, I'll study geography because I love it. As soon as I get my diploma, I'll work as a teacher. But if I fail, I'll work with my uncle who has a big factory. When I make enough money, I'll travel all over the world and visit many places. After coming back, I'll buy a nice house and start a family". "Oh my god! I did it again! The teacher comes and I forget my homework. Do you think I will do all this?
