

4 اسْتَعْمِلِ الْمِسْطَرَةَ لِتَصِلَ بَيْنَ النُّقْطِ ذَاتِ نَفْسِ اللَّوْنِ .

5 اِمْلِ الْفَرَاعَاتِ :

$$31 + \dots = 40 \quad , \quad 26 + \dots = 30$$

$$39 + \dots = 40 \quad , \quad 24 + \dots = 50$$

$$55 + \dots = 60 \quad , \quad 10 + \dots = 10$$

6 اُكْتُبِ الْعَدَدَ كَمَا فِي الْمِثَالِ :

1 اُحْسِبْ :

$$47 + 10 = \dots \quad , \quad 47 - 10 = \dots$$

$$47 + 20 = \dots \quad , \quad 47 - 20 = \dots$$

$$39 + 10 = \dots \quad , \quad 39 - 10 = \dots$$

$$39 + 20 = \dots \quad , \quad 39 - 20 = \dots$$

2 عِنْدَ أَمِينِ 28 كُرْيَةً، أَعْطَى لِسَيِّلِينَ 7 .

كَمْ كُرْيَةً بَقِيَتْ عِنْدَ أَمِينِ؟

3 لَوْنِ السَّاعَةِ الْمُنَاسِبَةَ .

فِي مَطْعَمِ الْمَدْرَسَةِ
