### Memorial Day

This is “remembering” day, a day to honor the memory of those who have given their lives for their country. At solemn public services, at burial grounds, and in the seclusion of one’s heart, the war dead are remembered-as individual loved ones and as the nation’s heroes.

Flowers and flags are placed on their graves as symbols of human affection and patriotic duty; moving speeches recall their heroic deeds; and fervent prayers are offered for peace among mankind.

Memorial Day, known first as Decoration Day, came into being a hundred years ago, at the close of the Civil War.

In 1873 New York made May 30 a legal holiday and soon all other states had adopted a Memorial Day.

Thus, the day which originally commemorated those who died in the civil war has become a day to remember the deeds and sacrifices of all dead.

## V-Time for a song:

### We Are the World

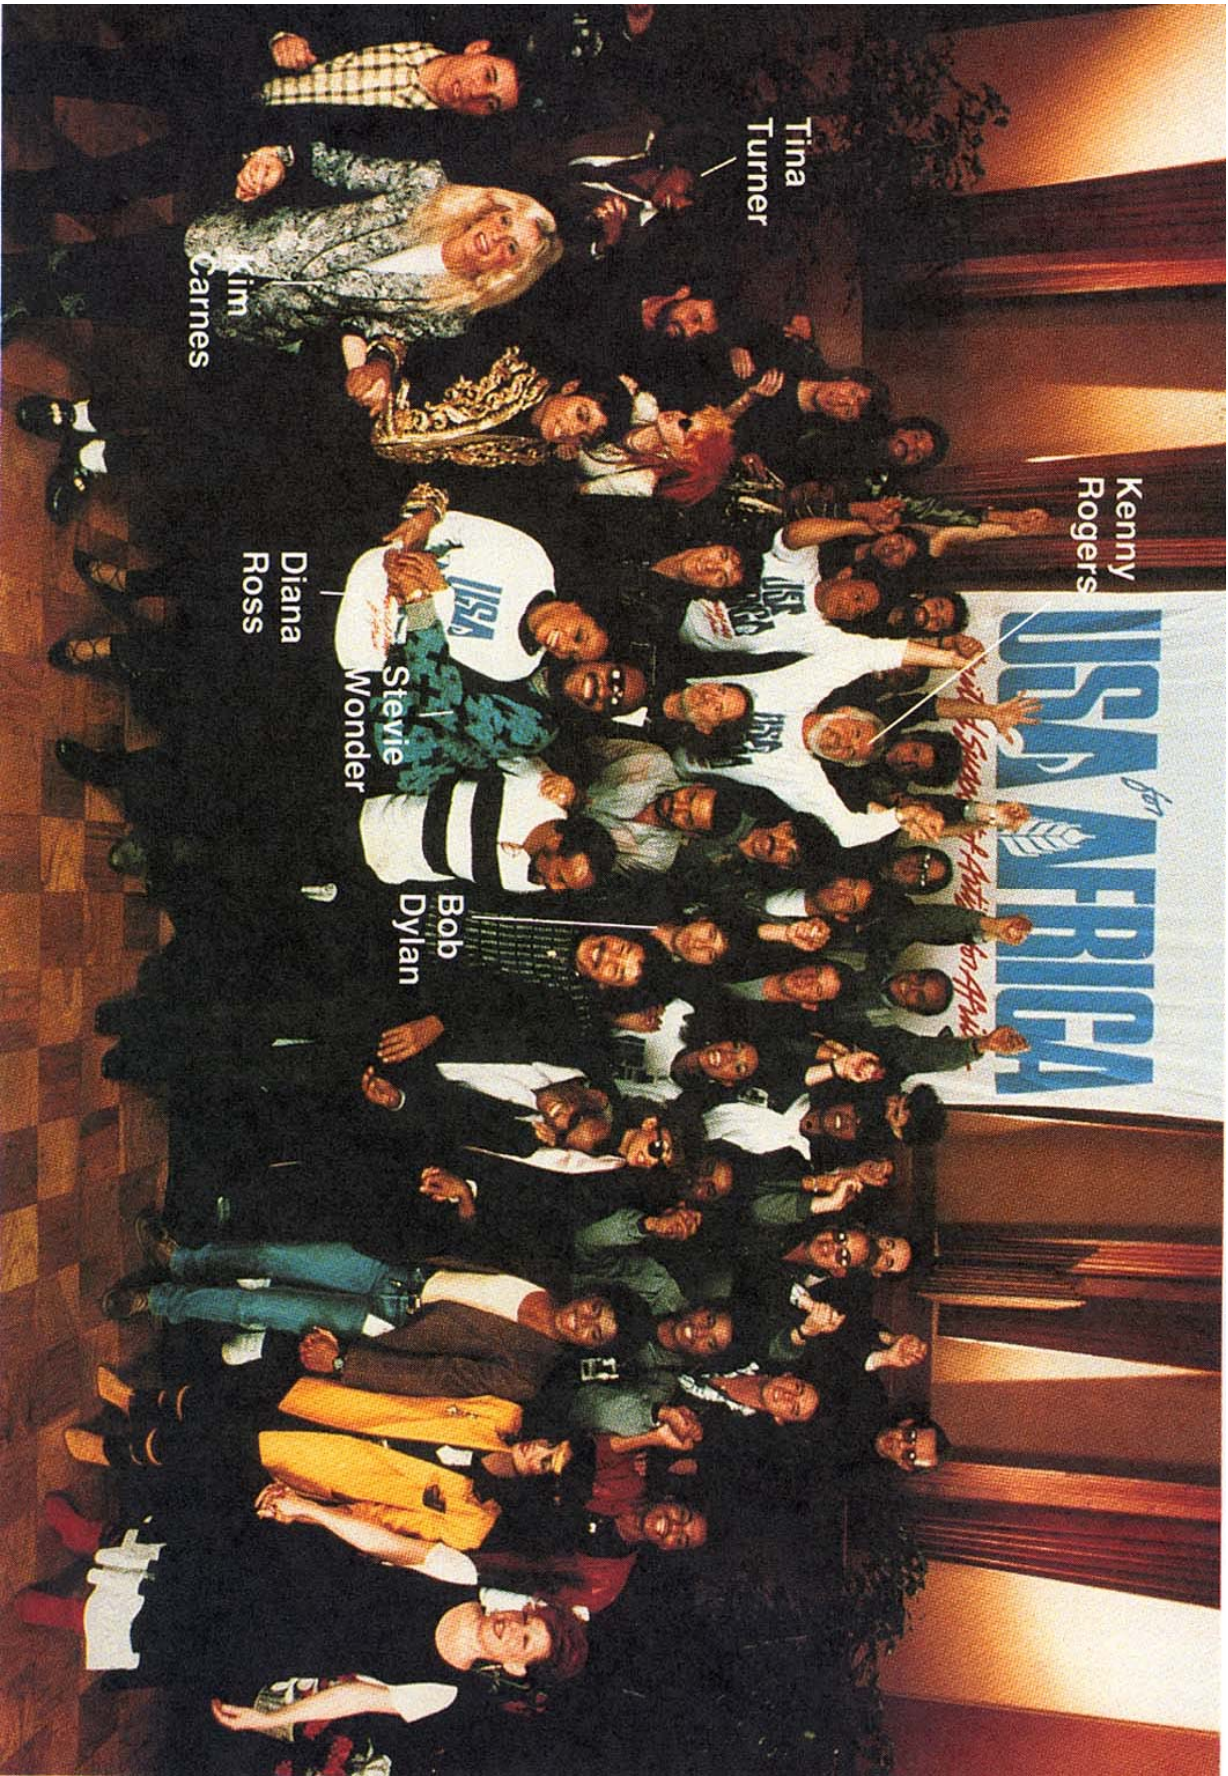

There comes a time when we heed a certain call  
When the world comes together as one  
There are people dying  
And it's time to lend a hand  
To life, the greatest gift of all

We can't go on pretending day by day  
That someone somewhere will soon make a change  
We are all a part of God's great big family  
And the truth, you know,  
Love is all we need

We are the world, we are the children  
We are the ones who make a brighter day  
So let's giving  
There's a choice we're making  
We're saving our own lives  
It's true we'll make a better day  
Just you and me

Send them your heart so they'll know that someone cares  
And their lives will be stronger and free  
As God has shown us by turning stones to bread  
So we all must lend a helping hand

When you're down and out, there seems no hope at all  
But if you just believe, there's no way we can fall  
Let us realize that a change can only come  
When we stand together as one.
