Hello! I am Mary from England. I am twenty two.
I live in Orpington, a small quiet town not far from London.
I am a computer programmer. I design web sites for travel agencies or companies. I usually work at home. But I generally go to London twice a month to meet my employers.
I love music and I play the guitar but my favourite hobby is photography. I often take photos of the countryside. On Sundays, I sometimes do shopping and wash my father's car. I always go jogging early on Sunday mornings.

Hi! My name is James. I am eighteen and I live in Sydney in Australia. I study marketing.

My classes start at 9:00 AM so I always get up at 7:00, have breakfast, get ready and catch a bus to university. Around one o'clock, I always have lunch at the university refectory. I usually spend the afternoon at the library where I study.

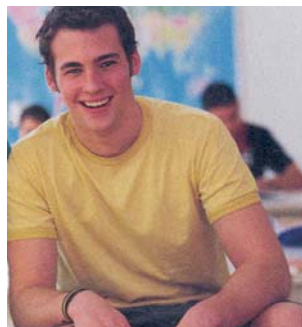

I also have a part-time evening job as a waiter in a restaurant. I generally take the clients' orders but sometimes I also do the washing-up. I rarely go shopping because I don't really like it!

I like swimming and listening to music. I never stay at home on Saturdays. I

often go to a concert or to the cinema with friends.

On Sundays, I always take the dog for a walk in the park.
