- The text:

Which phone for me?

Jenny: You know what? I think I am going to buy a mobile phone.

Liz: That's a good idea. A mobile is really helpful.
Which one do you fancy?

Jenny: Here's the problem. All of them are so attractive that it's difficult to choose one.

Liz: True! that's why you should make sure you get the one you need.

Jenny: Well, the choice is too wide.

Liz: Right... features and services are always added to most new mobile phones.

Jenny : Actually, I have got only a little money and I don't really need a sophisticated mobile.I don't want to pay for features I won't use.

Liz: Why don't use the list of the phone features ! It will be easier for you to make up your mind.

Jenny: Let me have a look ... That's interesting, but I am not sure I understand everything.

Liz: Don't worry. There's a guide explaining what the signs mean.

Jenny: Thanks. This will certainly help me choose one.

Liz: You're welcome.

New words:

Features: characteristics.

To fancy: to like.
